Re: Notice of *Ex Parte* Presentation: MB Docket No. 09-182; MB Docket No. 07-294.

Dear Ms. Dortch:

On Thursday, June 14, 2012, Michael Scurato, Policy Counsel of the National Hispanic Media Coalition ("NHMC") participated in a telephone conversation with Dave Grimaldi, Chief of Staff to Commissioner Clyburn. Mr. Scurato and Mr. Grimaldi discussed issues pertinent to the Commission's 2010 Quadrennial Regulatory Review of Broadcast Ownership Rules.

Mr. Scurato and Mr. Grimaldi discussed current initiatives to collect and analyze data about broadcast ownership by women and people of color. Specifically, Mr. Scurato and Mr. Grimaldi discussed the Commission's public meeting, scheduled for June 26, concerning the media ownership literature review being undertaken by the University of Southern California's Annenberg School of Communication and Journalism at the behest of the Commission. Mr. Scurato also discussed comments filed by NHMC, Center for Media Justice ("CMJ") and Center for Rural Strategies in the above referenced dockets. Mr. Scurato reiterated the importance of a renewed quantitative analysis of ownership data in addition to the literature review that is already underway. Mr. Scurato urged that Commissioner Clyburn consider rejecting any order circulated that attempts to relax any of the current media ownership rules without including an up-to-date quantitative analysis of current ownership data and trends and a thorough examination of how any proposed relaxation would impact ownership by women and people of color.

I submit this letter today pursuant to Section 1.1206(b) of the Commission's rules, 47 C.F.R. § 1.1206(b). Please contact me should you have any questions regarding this submission.

Respectfully submitted,

 \s\
Michael J. Scurato, Policy Counsel
